Our Junior League is structured to offer 30 minutes of clinic instruction prior to a tee time. We ask you **sign up for a clinic time**. The clinics are roughly every 30 minutes from 8:30am to noon.

Once we've assigned your juniors to a clinic they will have a tee time on the Executive course 30-60 minutes after their clinic starts. We estimate the juniors to be done with their league play 2 – 2 ½ hours after their clinic start time.
