Course

Friday Evening 9 hole Couples

Welcoming New Players!

The Friday Night Couples League consists of 9 holes of golf that welcomes players of all skill levels. The league consists of approximately 36-48 couples and we are looking forward to growing the league even more this year. The league originated as a group of 3M employees, but is now open to all couples.

We play throughout the summer from May through August, with two optional practice rounds in April. Each week we play in a shotgun format. Times vary based on the time of year and course schedule (see tentative starting schedule below).

League Fees

To register for the league the cost is \$35 per couple which covers season prizes, tournaments and administrative costs. [Click this link to register for the league.](#) Greens fees are to be paid each week and the cost is \$32 to walk or \$42 to ride per couple. You don't have to commit to play every week, however, we do ask that you please play a minimum of 7 weeks. All league members will have the opportunity to opt out for weeks they know won't work for play at the beginning of the year.

League Schedule: 5:30 Shotgun Start
