

Oak Glen's Wednesday Women's Social League

Thank you for your interest in the Wednesday Women's Social League. We're very excited to have you playing Oak Glen. The league starts Wednesday, June 3rd. Tee times will be from 5:30pm to 6:15pm. We've had requests to try to get players off as early as possible and we will work on ways to make that happen the best we can. For this first week of play please plan to show up between 5:15 to 5:30 and we will get you paired up and sent out on the golf course. For future dates we will have sign up sheets available so you will know your tee times in advance.

Here's what you need to know for the first week:

- Show up 10-15 minutes before the round (5:15-5:30) and check-in at the back patio area behind the snack bar. If you want a riding cart or a push cart, you can pay for it then and we will get you squared away for golf.
- The games we'll be playing will be set up with instructions and scorecards for the event.
- The events are purely FUN formats - nothing too serious, nothing handicapped or complicated. The intention of this league is to play with friends, meet new friends, and oh yeah... golf too. Each week, we'll post the event in the golf shop with an explanation of how to play. Don't worry if you don't recognize the game, they're all based on golfing your own ball and scoring based on something fun based more on luck than skill.
- If the weather is iffy - I'll be in touch. If it is a total wash out, we'll issue rain checks for the greens fees. If it is marginal and you don't want to play you can request a rain check instead of playing.
- If the weather is great and you just can't make it - simply send a friend to play in your place. Just let them know to check-in for you as a sub.
- The \$220 league fee covers your greens fees and the prize funds that we'll use to pay out weekly winners.
- If you want to ride, just pay the cart fee at the golf shop each week.
- Since your greens fees are prepaid, feel free to send a sub in your absence any week you cannot play.

Each week, we ask you sign up for the next week to play either the Championship or The Shorty. Sign up as a single, pair, or foursome. If you indicated playing partners, we'll keep you in pairs or foursomes. For pairs and singles, we'll rotate and create mixed groups to meet new players, but stay with those you know. Trystin will be helping me with the pairings each week.

For more information please see the schedule of events posted on our league page at (<https://www.oakglengolf.com/Play-Golf/Public-Golf-Leagues>).

We are looking forward to meeting all of you and please let us know if you have any questions.

Sincerely,

Jason Whitehill, PGA
